WHO WE ARE

MBA Education, the education and training division of the Mortgage Bankers Association (MBA), delivers the knowledge and skills needed to be strong in today's challenging marketplace. Our signature programs are conveniently offered through several platforms, online and in person, to meet your company's budget and learning style, and to cover the full scope of the mortgage banking value chain — from originating to servicing a loan.

WHAT WE OFFER

From quick-to-market updates on industry developments to comprehensive skill-based online and in-person training at all experience levels, MBA EducationSM is your One Resource for results-oriented education in our industry. The following is a selection of courses included in the Education Advantage program.

INTRODUCTION TO MORTGAGE BANKING

Live, instructor-guided online training for new hires or anyone new to the industry.

Introduction to Mortgage Banking provides a succinct background on the various functions and roles within real estate finance making participants more valuable team players. The course opens with an overview of the residential mortgage industry and covers loan production, loan administration, secondary marketing, and regulatory compliance, quality assurance and quality control, and technology.

SCHOOL OF LOAN ORIGATION (SOLO) I: AN INTRODUCTION TO LOAN PRODUCTION

Live, instructor-guided online training for new MLOs to get a strong foundation for originating loans.

SOLO I breaks down the key competencies MLOs need to originate high-quality, compliant residential mortgage loans. Attendees will participate in course activities, case studies, 1003 scenario exercises, group discussions and more.

SCHOOL OF LOAN ORIGATION (SOLO) II: GROWING YOUR PRODUCTION BUSINESS

Live, instructor-guided online training for middle producers seeking to take their production to the next level.

SOLO II provides the knowledge, tools and proven techniques to increase your production. This highly interactive course will give you a leg up when it comes to navigating the regulatory environment, communicating with customers and support staff, and marketing yourself to potential purchase lead sources.

SCHOOL OF MORTGAGE BANKING I, II & III

Classroom Course for all levels of experience and/or individuals preparing for the CMB

MBA Education's signature School of Mortgage Banking (SOMB) is the real estate finance industry's standard in comprehensive residential mortgage training. It provides professionals with essential knowledge and skills necessary to be competitive in an industry undergoing constant change. Through yearly comprehensive quality control, MBA staff and the faculty of the School of Mortgage Banking ensure that the school's content is up-to-date, topical and relevant.

SCHOOL OF MORTGAGE SERVICING

Live, instructor-guided online training for personnel new to servicing or with 1-4 years of servicing experience.

School of Mortgage Servicing (SOMS) provides an overview of the basic servicing functions and the potential compliance risks of not applying appropriate processes and reviews the important correlations and interconnectivity between business units within the servicing organization and uses real life examples of issues that servicers are facing today.

ADVANCED SERVING WORKSHOP

Classroom Course for servicing professionals at the Group, Director, AVP and VP level with 2+ years of experience

Designed and taught by respected industry experts, this course provides great networking and peer-learning opportunities and is sure to be a valuable career-building experience. It covers topics like risk management concerns, current regulatory challenges and quality control, servicing financial management and profitability, and a presentation of the latest from MBA research staff.

CRU DESIGNATION

The three-part CRU curriculum establishes the standard for professional excellence and training in residential mortgage loan underwriting. The first two parts, Basic and Intermediate, lay a foundation for the final category: the Advanced Certified Residential Underwriter designation.

RCMS DESIGNATION

The Residential Certified Mortgage Servicer (RCMS) Designation is built on a specialist track system where students can concentrate in the area of servicing most applicable to their day-to-day work or career goals. The three areas of default administration, loan administration or financial controls and investor administration.

CMCP DESIGNATION

The Certified Mortgage Compliance Professional (CMCP) Designation recognizes the achievements of individuals in the real estate finance industry for their commitment to having a compliant workplace. The certification framework currently includes level I,* and is perfect for professionals who want to distinguish themselves from their peers.

** Levels two and three are in development.*
