

Accounting and Financial Management Conference

Wednesday, November 19, 2025

1:00 PM - 6:00 PM

Registration

Location: Starbucks Nook

2:00 PM - 3:15 PM

Accounting and Financial Management Committee Meeting (Open to MBA members. Closed to media)

Location: Grand Canyon 13

Please join us for our in-person committee meeting, where we will cover key accounting and financial management topics. Discussion will include the GAAP treatment of Recapture, Fannie Mae and Freddie Mac's recent outreach regarding MSR stripping, updates to the MBFRF, and other timely industry issues.

3:15 PM - 3:30 PM

Refreshment Break

Location: Grand Canyon Foyer

3:30 PM - 4:15 PM

SPECIAL SESSION: Mortgage Market and Economic Outlook

Location: Grand Canyon 11

Hear from MBA's Chief Economist and Senior Vice President, Research and Business Development, Mike Fratantoni as he discusses the broad Economic and Mortgage Market outlook. Signature topics to be covered - MBA's rate and originations forecast, combined with the economic and housing factors that come into play in determining this outlook.

Speakers

Mike Fratantoni, Ph.D., *Chief Economist, Senior Vice President, Research and Business Development, Mortgage Bankers Association*

Fran Mordi, CMB, AMP, *Vice President, Financial Management, Tax and Accounting Policy, Mortgage Bankers Association*

Marina Walsh, CMB, *Vice President, Industry Analysis, Mortgage Bankers Association*

4:15 PM - 5:00 PM

CREF TRACK: Deep Dive - Latest Trends and Conditions

Location: Grand Canyon 12

Commercial real estate markets have been slowed in recent years by changes in some properties' fundamentals, uncertainty about property values and stubbornly high interest rates compared to a couple of years ago. Yet, originations have been stronger in 2025. This session takes a deep dive into these changing dynamics and the market outlook for CRE markets as we enter 2026.

Speakers

Mike Fratantoni, Ph.D., *Chief Economist, Senior Vice President, Research and Business Development, Mortgage Bankers Association*

Judith Ricks, Ph.D., *Associate Vice President, Commercial Real Estate Research, Mortgage Bankers Association*

4:15 PM - 5:00 PM

SINGLE-FAMILY TRACK: Deep Dive - Mortgage Company Performance and Outlook

Location: Grand Canyon 11

In this timely session, get the latest information on how mortgage companies are faring from a financial and operational perspective based on MBA's most recent benchmarking data. We will discuss how peer groups – banks and independents; mid-size and large – compare across both the production and servicing sides of the business.

Speaker

Marina Walsh, CMB, *Vice President, Industry Analysis, Mortgage Bankers Association*

5:00 PM - 6:00 PM

Opening Reception with the Exhibitors - Desert Sun Social

CREF TRACK: Ask the Auditors

Location: Grand Sonoran AB

When the rubber hits the road, what are outside accountants and auditors seeing in today's market as the key issues for CRE finance firms? Hear straight from industry leaders on top issues such as CECL, loan loss reserves, MSRs and more. As the industry prepares to close out 2025 and head into 2026, learn more about the latest accounting and finance issues and how auditors are applying them to the commercial/real estate finance sector.

Speakers

Nirav Badani, *Partner, Baker Tilly*

Adam Bareham, *Managing Director, Ernst & Young*

Shweta Desai, *Audit Partner and Board Director, Grant Thornton, LLP*

10:15 AM - 11:15 AM

SINGLE-FAMILY TRACK: Ask the Auditors

Location: Grand Sonoran EF

In this interactive Q&A session, experts discuss timely accounting, financial management and audit topics that impact your bottom line, and share their views on FASB, SEC, PCAOB, and AICPA agendas. This is your chance to have your questions answered on current and upcoming accounting standards updates, and audit issues and challenges. Topics include accounting for ASC Topic 326 (CECL), derivatives and hedging, provisions for repurchases and other compensatory fees, reference rate reform, leasing, and more.

Speakers

Kristin E. Golab, CPA, *Assurance Principal, Plante & Moran, PLLC*

Networking Lunch

Location: Grand Sonoran G-K

2:00 PM - 3:00 PM

CREF TRACK: Best Practices for Determining Underlying MSR Assumptions

Location: Grand Sonoran AB

Mortgage Servicing Rights (MSRs) play a substantial role on the balance sheets of many commercial real estate firms, yet their valuation is heavily dependent on complex, assumption-driven models. This session convenes leading industry experts to unpack the key assumptions driving commercial MSR valuations and examine how shifts in those variables impact reported values. Attendees gain actionable insights into building robust and defensible support for assumptions, aligning inputs with market realities, identifying the most sensitive valuation drivers, and establishing documentation practices that stand up to audit and regulatory review.

Speakers

Emily Anderson, CPA, Principal, Plante & Moran, PLLC

Robert Fear, Managing Director-Client Solutions Group, MIAC Analytics

Joseph Santone, SVP, Financial Planning & Analysis, Berkadia

2:00 PM - 3:00 PM
