

One Subscription, Limitless Learning.

COMMERCIAL/MULTIFAMILY: EDUCATION ADVANTAGESM

EDUCATION ADVANTAGE,SM developed by MBA Education, is an annual subscription-based training solution that provides you with access to our robust learning portfolio.

For one low annual price, you can choose from multiple packages that give you: unlimited access to our online web- and self-study library, discounts on designations, two seats in specific online and classroom courses and the option for a completely custom curriculum. Education advantage has everything you need when you need it.

KEY PROGRAM BENEFITS

- Reliable training from a trusted source of MBA Education Staff and industry experts.
- Convenient and affordable content delivered on MBA's Learning Management System.
- Customizable program to fit your training needs.
