2) Accordingly, this Part: i) may include references to federal statutes or rules established pursuant to the federal Community Reinvestment Act; and
ii) except where this Subpart makes adjustments or exceptions to the administrative rules established pursuant to the federal Community Reinvestment Act or where inconsistent with the ILCRA or this Subpart, this Subpart shall be construed and interpreted consistently with the appropriate federal financial supervisory agency’s construction and interpretation of the federal rules.

a) Performance tests and standards. The Secretary assesses the ILCRA performance of a credit union in an examination as follows:

1) The Secretary shall apply the assessment factors, as provided in Section 185.200, and the lending and service tests, as provided in Section 185.220 and Section 185.240 in evaluating the performance of a credit union, except as provided in Section 185.210(a)(2), (a)(3) and (a)(4). The investment test, as provided in Section 185.230, does not apply to credit unions unless the credit union elects to be evaluated pursuant to the investment test at the start of an examination.

2) Community development test for wholesale or limited purpose credit unions. The Secretary applies the community development test for a wholesale or limited purpose credit union, as provided in Section 185.250, except as provided in Section 185.210(a)(4).

3) Small credit union performance standards. The Secretary applies the small credit union performance standards as provided in Section 185.260 in evaluating the performance of a small credit union or a credit union that was a small credit union during the prior calendar year, unless the credit union elects to be assessed as provided in Section 185.210(a)(1), (a)(2), or (a)(4). A small credit union may elect to be assessed as provided in
Section 185.210(a)(1) only if it collects and reports the data required for
other credit unions under Section 185.410.

4) Strategic plan. The Secretary evaluates the performance of a credit union
under a strategic plan if the credit union submits, and the Secretary
approves, a strategic plan as provided in Section 185.270.

b) Performance context. The Secretary applies the tests and standards in Section
185.210(a) and also considers whether to approve a proposed strategic plan in the
context of:

1) Demographic data on median income levels, distribution of household
income, nature of housing stock, housing costs, and other relevant data
pertaining to a credit union’s assessment area;

2) Any information about lending, investment, and service opportunities in
the credit union’s assessment area maintained by the credit union or

3) The credit union’s product offerings and business strategy as determined
from data provided by the credit union;

4) Credit union capacity and constraints, including the size and financial

5) The credit union’s past performance and the performance of similarly

The rating assigned by the Secretary reflects the credit union’s record of helping to meet the credit needs of its entire community, including low- and moderate-income neighborhoods, consistent with the safe and sound operation of the credit union, and consistent with its common bond.

d) Safe and sound operations. This Part and the ILCRA does not require a credit union to make loans or investments or to provide services that are inconsistent with safe and sound operations, its size and financial condition, or inconsistent with its common bond. Credit unions are permitted and encouraged to develop and apply flexible underwriting standards for loans that benefit low- and moderate-income geographies or individuals and work with delinquent customers to facilitate a resolution of the delinquency, only if consistent with safe and sound operations and consistent with its common bond.

e) Low-cost Education Loans Provided to Low-Income Borrowers. In assessing and taking into account the record of a credit union under this Part, the Secretary shall consider as a factor, when applicable, low-cost education loans originated by the credit union to borrowers, particularly in its assessment area, who have an individual income that is less than 50 percent of the area median income. For purposes of this paragraph, “low-cost education loans” means any education loan, as defined in section 140(a)(7) of the Truth in Lending Act (15 U.S.C. 1650(a)(7)) (including a loan under a state or local education loan program), originated by the credit union for a student at an “institution of higher education”, as that term is generally defined in sections 101 and 102 of the Higher Education Act of 1965 (20 U.S.C. 1001 and 1002) and the implementing regulations published by the U.S. Department of Education, with interest rates and fees no greater than those of comparable education loans offered directly by the U.S. Department of Education. Such rates and fees are specified in section 455 of the Higher Education Act of 1965 (20 U.S.C. 1087e). This subsection only applies to credit unions that offer education loans.

f) Activities in Cooperation with Community Development Financial Institutions, Minority- or Women-Owned Financial Institutions and Low-Income Credit Unions. In assessing performance to this Part the Secretary shall consider as a factor: capital investment, loan participation, and other ventures undertaken by the credit union in cooperation with Community Development Financial Institutions as defined in regulations issued by the U.S. Department of the Treasury, with minority- and women-owned financial institutions as defined in 12 U.S.C. 2907(b) and credit unions designated as low-income or minority
depository institutions by the National Credit Union Administration. Such activities must help meet the credit needs of local communities in which Community Development Financial Institution, the minority- and women-owned financial institutions or low income or minority credit unions are chartered. To be considered, such activities need not also benefit the credit union’s assessment area. This subsection does not apply to credit unions designated as low-income or minority-credit unions.

g) Community Development Financial Institutions, Minority Depository Institutions and Low-Income Designated Credit Unions. In assessing performance pursuant to this Part, the Secretary shall consider whether a credit union is or certified or designated as a Community Development Financial Institutions, Minority Depository Institution and/or Low-Income Designated Credit Union. The Department may require documentation to confirm the credit union still meets the criteria for the certification or designation.

h) Special Purpose Credit Programs. In assessing performance pursuant to this Part, the Secretary shall consider whether a credit union offers Special Purpose Credit Programs that are in conformity with and explicitly authorized by the Equal Credit Opportunity Act, 15 U.S.C. Section 1691(c) and Regulation B, 12 C.F.R. Section 1002.8: The credit union must be able show that the program will fall under any of the following: (1) any credit assistance program expressly authorized by federal or state law for the benefit of an economically disadvantaged class of persons; (2) any credit assistance program offered by a not-for-profit organization for the benefit of its members or an economically disadvantaged class of persons; or (3) any special purpose credit program offered by a for-profit organization, or in which such an organization participates to meet special social needs, if it meets certain standards prescribed in 12 CFR 1002.8(a)(3)(i).

h) Disparity Study. The Secretary may retain qualified persons to design and conduct a study, and prepare and report findings and conclusions to the Secretary (1) to identify and describe geographies in Illinois exhibiting significant disparities by race or other protected characteristics in access to relevant financial products or services, and (2) to develop methods and procedures to identify policies, procedures, patterns, or practices that have disparate impact or discriminatory effects. Following the publication of this study, the Secretary may incorporate the findings, conclusions and other results from the study into the examination process.

Section 185.220  Lending Test
a) Scope of test.

1) The lending test evaluates a credit union’s record of helping to meet the credit needs of its assessment area through its lending activities by considering a credit union’s home mortgage, small business and community development lending. If consumer lending constitutes a substantial majority of a credit union’s business, the Secretary will evaluate the credit union’s consumer lending in one or more of the following categories: motor vehicle, credit card, home equity, other secured, and other unsecured loans. At a credit union’s option, the Secretary will also evaluate one or more categories of consumer lending, if the credit union has collected and maintained the data for each category that the credit union elects to have the Secretary evaluate as required in Section 185.410(c4)(1).

3) A credit union may ask the Secretary to consider loans originated or purchased by consortia in which the credit union participates or by third parties in which the credit union has invested only if the loans meet the definition of community development loans and only in accordance with Section 185.220(d). The Secretary will not consider these loans under any criterion of the lending test except the community development lending criterion.

b) Performance Criteria. The Secretary evaluates a credit union’s lending performance considering all of the applicable assessment factors in Section 185.200 and pursuant to the following criteria:

1) Lending activity. The number and amount of the credit union’s home mortgage, small business and consumer loans, if applicable, in the credit union’s assessment area;

2) Geographic distribution. The geographic distribution of the credit union’s home mortgage small business, and consumer loans, if applicable, based on the loan location, including:

and

BC) The number and amount of loans in low-, moderate-, middle-, and upper-income geographies in the credit union’s assessment area;

43) Community development lending. The credit union's community development lending, including the number and amount of community development loans, and their complexity and innovativeness, as well as the credit union’s community development lending performance in areas, if any, identified as exhibiting significant disparities by race or other protected characteristics in access to community development loans by a

The credit union’s use of innovative or flexible lending practices in a safe and sound manner to address the credit needs of low- and moderate-income individuals or geographies. c) Affiliate lending.

1) At a credit union’s option, the Secretary will consider loans by an affiliate of the credit union, if the credit union provides data on the affiliate's loans pursuant to Section 185.410.

2) The Secretary considers affiliate lending subject to the following constraints:

A) No affiliate may claim a loan origination or loan purchase if another institution claims the same loan origination or purchase and in this regard the credit union shall monitor and keep records of whether such claims exist; and

B) If a credit union elects to have the Secretary consider loans within a particular lending category made by one or more of the credit union's affiliates in a particular assessment area, the credit union shall elect to have the Secretary consider, in accordance with Section 185.220(c)(1), all the loans within that lending category in that particular assessment area made by all of the credit union's affiliates.
The Secretary does not consider affiliate lending in assessing a credit union's performance under Section 185.220(b)(2)(A).

d) Lending by a consortium or a third party. Community development loans originated or purchased by a consortium in which the credit union participates or by a third party in which the credit union has invested:

1) Will be considered, at the credit union's option, if the credit union reports the data pertaining to these loans under Section 185.410; and

2) May be allocated among participants or investors, as they choose, for purposes of the lending test, except that no participant or investor:

A) May claim a loan origination or loan purchase if another participant or investor claims the same loan origination or purchase and in this regard the credit union shall monitor and keep records of whether such claims exist; or

B) May claim loans accounting for more than its percentage share (based on the level of its participation or investment) of the total loans originated by the consortium or third party.

c) Affiliate investment. At a credit union's option, the Secretary will consider, in its assessment of a credit union's investment performance, a qualified investment made by an affiliate of the credit union, if the qualified investment is not claimed by any other institution.

d) Disposition of branch premises. Donating, selling on favorable terms, or making available on a rent-free basis a branch of the credit union that is located in a predominantly minority neighborhood to a minority depository institution or
women's depository institution (as these terms are defined in 12 U.S.C. 2907(b)) or to credit unions designated by the National Credit Union Administration as low-income or minority depository institutions will be considered as a qualified investment.

e) Performance criteria. The Secretary evaluates the investment performance of a credit union considering all of the applicable assessment factors in Section 185.200 and pursuant to the following criteria:

1) The dollar amount of qualified investments;

2) The innovativeness or complexity of qualified investments;

3) The responsiveness of qualified investments to credit and community development needs;

4) The degree to which the qualified investments assist existing low- and moderate-income residents to be able to remain in affordable housing in their neighborhoods; and

5) The degree to which the qualified investments are not routinely provided by private investors.

6) The credit union’s performance on the above criteria in areas, if any, identified as exhibiting significant disparities by race or other protected characteristics in access to qualified investments by a Disparity Study incorporated into the examination process under Section 185.210(h).

f) Investment performance rating. The Secretary rates a credit union’s investment performance as provided in 185.APPENDIX A (Ratings).

Section 185.240 Service Test

a) Scope of test. The service test evaluates a credit union’s record of helping to meet the credit needs of its assessment area by analyzing both the availability and effectiveness of a credit union’s systems for delivering retail banking services and the extent and innovativeness of its community development services. Credit unions that provide all or a majority of their services via mobile and other digital channels must fulfill their obligation to meet the financial service needs of their assessment areas, including low-income to moderate-income neighborhoods, consistent with their common bond.
b) Area(s) benefited. Community development services must benefit a credit
union’s assessment area or a broader Statewide or regional area that includes the
credit union’s assessment area.

c) Affiliate service. At a credit union’s option, the Secretary will consider, in his or
her assessment of a credit union’s service performance, a community
development service provided by an affiliate of the credit union, if the community
development service is not claimed by any other institution and in this regard the
bank shall monitor and keep records of whether such claims exist.

d) Performance criteria -- Retail Banking Services. The Secretary evaluates the
availability and effectiveness of a credit union’s systems for delivering retail
banking services, considering all of the applicable assessment factors in Section
185.200 and pursuant to the following criteria:

1) The current distribution of the credit union’s branches among low-, moderate-, middle-, and upper-income geographies, if applicable;

2) In the context of its current distribution of the credit union’s branches, the

branches located in low- and moderate-income geographies or primarily
serving low- and moderate-income individuals;

3) The availability and effectiveness of alternative systems for delivering
retail banking services (e.g., ATMs, ATMs not owned or operated by or
exclusively for the credit union, banking by telephone or computer, loan
production offices, and bank-at-work or bank-by-mail programs) in low-
and moderate-income geographies and to low- and moderate-income
individuals; and

4) The range of services provided in low-, moderate-, middle-, and upper-
income geographies, if applicable, and the degree to which the services are
tailored to meet the needs of those geographies; and

5) The credit union’s record of effectively marketing its retail banking
services and products to unbanked or underbanked persons and offering
retail banking services and products targeted to meet the needs of
unbanked and underbanked persons. In determining whether a credit union
offers retail banking services and products targeted to meet the needs of unbanked and underbanked persons, the Department shall consider:

§ 52 A) Whether the credit union is BankOn certified or offers accounts substantially and materially similar to BankOn certified accounts; or

§ 56 B) Whether the credit union offers financial services and products to users of alternative financial products or services, provided that, that the credit union has affirmatively and reasonably demonstrated that:

i) The credit union offers such accounts or such financial services and products in conjunction with focused and sustained marketing efforts reasonably designed to reach unbanked and underbanked persons;

ii) Unbanked and underbanked persons may reasonably conveniently obtain or use such accounts or such financial services and products; and

iii) The credit union offers such accounts or such financial services and products at a cost to the unbanked and underbanked persons that is significantly lower than would otherwise be incurred by the users of alternative financial products or services.

6) The credit union’s performance on the above criteria in areas, if any, identified as exhibiting significant disparities by race or other protected characteristics in access to retail banking services by a Disparity Study incorporated into the examination process under § 185.210(h).

e) Performance criteria -- Community Development Services. The Secretary evaluates community development services considering all of the applicable assessment factors in Section 185.200 and pursuant to the following criteria:

1) The extent to which the credit union provides community development services; and

2) The innovativeness and responsiveness of community development services.
3) The credit union’s performance on the above criteria in areas, if any, identified as exhibiting significant disparities by race or other protected characteristics, if any, in access to community development services by a Disparity Study incorporated into the examination process under Section 185.210(h).

f) Service performance rating. The Secretary rates a credit union’s service performance as provided in 185.APPENDIX A (Ratings).

Section 185.250 Community Development Test for Wholesale or Limited Purpose Credit Unions

a) Scope of test. The Secretary assesses a wholesale or limited purpose credit union’s record of helping to meet the credit needs of its assessment area through its community development lending, qualified investments, or community development services.

b) Designation as a wholesale or limited purpose credit union. In order to receive a designation as a wholesale or limited purpose credit union, a credit union shall file a request, in writing, with the Secretary, at least six months prior to the proposed effective date of the designation. If the Secretary approves the designation, it remains in effect until the credit union requests revocation of the designation or until one year after the Secretary notifies the credit union that the Secretary has revoked the designation on his/her own initiative.

c) Performance criteria. The Secretary evaluates the community development performance of a wholesale or limited purpose credit union considering all of the applicable assessment factors in Section 185.200 and pursuant to the following criteria:

2) The use of innovative or complex qualified investments, community development loans, or community development services and the extent to which the investments are not routinely provided by private investors; and

3) The credit union’s responsiveness to credit and community development needs.

1) Qualified investments or community development services provided by an affiliate of the credit union, if the investments or services are not claimed by any other institution; and

2) Community development lending by affiliates, consortia and third parties, subject to the requirements and limitations in Sections 185.220(c) and (d).

e) Benefit to assessment area(s).

1) Benefit inside assessment area. The Secretary considers all qualified investments, community development loans, and community development services that benefit areas within the credit union’s assessment area or a broader statewide or regional area that includes the credit union’s assessment area.

2) Benefit outside assessment area. The Secretary considers the qualified investments, community development loans, and community development services that benefit areas outside the credit union’s assessment area, if the credit union has adequately addressed the needs of its assessment area.

f) Community development performance rating. The Secretary rates a credit union’s community development performance as provided in 185.APPENDIX A (Ratings).

Section 185.260 Small Credit Union Performance Standards

2) The Secretary evaluates the record an intermediate small credit union, of helping to meet the credit needs of its assessment area pursuant to all of the applicable assessment factors in Section 185.200, subsections (b) and (c).
b) Lending test. A small credit union’s lending performance is evaluated pursuant to the following criteria:

2) The percentage of loans and, as appropriate, other lending-related activities located in the credit union’s assessment area;

6) The origination of loans to businesses with gross annual revenues of $1,000,000 or less, particularly those in low-income and moderate-income neighborhoods. Subsection (56) applies only to credit unions that make business loans.

c) Community Development Test. An intermediate small credit union’s community development performance is also evaluated pursuant to the following criteria:

1) The number and amount of community development loans;

2) The extent to which the credit union provides community development services;

3) The credit union’s responsiveness through such activities to community development lending, investment, and service needs; and

4) At the election of the credit union, the number and amount of qualified investments.
d) Small credit union performance rating. The Secretary considers all of the applicable assessment factors in Section 185.200 and rates the performance of a credit union evaluated under Section 185.260 as provided in 185.APPENDIX A (Ratings).

Section 185.270 Strategic Plan

a) Alternative election. The Secretary will assess a credit union’s record of helping to meet the credit needs of its assessment area considering all of the applicable assessment factors in Section 185.200 under a strategic plan if:

1) The credit union has submitted the plan to the Secretary as provided for in Section 185.270;
2) The Secretary has approved the plan;
3) The plan is in effect; and
4) The credit union has been operating under an approved plan for at least one year.

b) Data reporting. The Secretary’s approval of a plan does not affect the credit union’s obligation, if any, to report data as required by Section 185.410.

c) Plans in general.

1) Term. A plan may have a term of no more than five years, and any multi-year plan must include annual interim measurable goals under which the Secretary will evaluate the credit union’s performance.

2) Treatment of affiliates. Affiliated credit unions may prepare a joint plan if the plan provides measurable goals for each credit union. Activities may be allocated among credit unions at the credit union’s option, provided that the same activities are not considered for more than one credit union.

d) Public participation in plan development. Before submitting a plan to the Secretary for approval, a credit union shall:

1) Informally seek suggestions from members of the public in its assessment area covered by the plan while developing the plan;
2) Once the credit union has developed a plan, formally solicit public comment on the plan for at least 30 days by publishing notice in at least
one newspaper of general circulation in each assessment area covered by the plan and on the internet; and

3) During the period of formal public comment, make copies of the plan available for review by the public at no cost at all offices of the credit union in any assessment area covered by the plan and provide copies of the plan upon request for a reasonable fee to cover copying and mailing, if applicable.

e) Submission of plan. The credit union shall submit its plan to the Secretary at least six months prior to the proposed effective date of the plan. The credit union shall also submit with its plan a description of its informal efforts to seek suggestions from members of the public, any written public comment received, and, if the plan was revised in light of the comment received, the initial plan as released for public comment.

f) Plan content.

1) Measurable goals.

A) A credit union shall specify in its plan measurable goals for helping to meet the credit needs of each assessment area covered by the plan, particularly the needs of low- and moderate-income geographies and low- and moderate-income individuals, through lending, investment, and services, as appropriate and considering all of the applicable assessment factors in Section 185.200.

B) A credit union shall address in its plan all applicable performance categories and, unless the credit union has been designated as a wholesale or limited purpose credit union, shall emphasize lending and lending-related activities. Nevertheless, a different emphasis, including a focus on one or more performance categories, may be appropriate if responsive to the characteristics and credit needs of its assessment area, considering public comment and the credit union’s capacity and constraints, product offerings, and business strategy.

2) Confidential information. A credit union may submit additional information to the Secretary on a confidential basis which shall not be deemed a public record as defined in [5 ILCS 140/2] or be subject to the public disclosure provisions of [5 ILCS 140/1], but the goals stated in the plan must be sufficiently specific to enable the public and the Secretary to judge the merits of the plan.
Satisfactory and outstanding goals. A credit union shall specify in its plan measurable goals that constitute "satisfactory" performance. A plan may specify measurable goals that constitute "outstanding" performance. If a credit union submits, and the Secretary approves, both "satisfactory" and "outstanding" performance goals, the Secretary will consider the credit union eligible for an "outstanding" performance rating.

Election if satisfactory goals not substantially met. A credit union may elect in its plan that, if the credit union fails to meet substantially its plan goals for a satisfactory rating, the Secretary will evaluate the credit union's performance under the lending, investment, and service tests, the community development test, or the small credit union performance standards, as appropriate.

Plan approval.

1) Timing. The Secretary will act upon a plan within 90 calendar days after the Secretary receives the complete plan and other material required under Section 185.270(e) and (f). If the Secretary fails to act within this time period, the plan shall be deemed approved unless the Secretary extends the review period in writing.

2) Public participation. In evaluating the plan's goals, the Secretary considers the public's involvement in formulating the plan, written public comment on the plan, and any response by the credit union to public comment on the plan.

3) Criteria for evaluating plan. The Secretary considers all of the applicable assessment factors in Section 185.200 and evaluates a plan's measurable goals using the following criteria, as appropriate and applicable:

A) The extent and breadth of lending or lending-related activities, including, as appropriate, the distribution of loans among different geographies, businesses and farms of different sizes, and individuals of different income levels, the extent of community development lending, and the use of innovative or flexible lending practices to address credit needs;

B) The amount and innovativeness, complexity, and responsiveness of the credit union’s qualified investments; and
The availability and effectiveness of the credit union’s systems for delivering retail banking services and the extent and innovativeness of the credit union’s community development services.

Plan amendment. During the term of a plan, a credit union may request the Secretary to approve an amendment to the plan on grounds that there has been a material change in circumstances. The credit union shall develop an amendment to a previously approved plan in accordance with the public participation requirements of Section 185.270(d).

Plan assessment. The Secretary approves the goals and assesses performance under a plan as provided for in 185.APPENDIX A (Ratings).

Section 185.280 Assigned Ratings

a) Ratings in general. Subject to Section 185.280(b) and (c), the Secretary assigns to a credit union a rating of "outstanding", "satisfactory", "needs to improve", or "substantial noncompliance" based on the credit union’s performance under the lending, investment and service tests, the community development test, the small credit union’s performance standards, the intermediate small credit union’s standards, or an approved strategic plan, as applicable.

b) Lending, investment, and service tests. The Secretary assigns a rating for a credit union assessed under the lending, investment, and service tests in accordance with the following principles:

1) A credit union that receives an "outstanding" rating on the lending test receives an assigned rating of at least "satisfactory";

2) A credit union that receives an "outstanding" rating on both the service test and the investment test and a rating of at least "satisfactory" on the lending test receives an assigned rating of "outstanding"; and

3) No credit union may receive an assigned rating of "satisfactory" or higher unless it receives a rating of at least "satisfactory" on the lending test;

c) Effect of evidence of discriminatory or other illegal credit practices.

1) The Secretary's evaluation of a credit union's ILCRA performance is adversely affected by evidence of discriminatory or other illegal credit practices in any geography by the credit union or in any assessment area.
by any affiliate whose loans have been considered as part of the credit union’s lending performance. In connection with any type of lending activity described in Section 185.220(a), evidence of discriminatory or other credit practices that violate an applicable law, rule, or regulation includes, but is not limited to:

A) Discrimination against applicants on a prohibited basis in violation, for example, of the Equal Credit Opportunity Act or the Fair Housing Act, including, for example, relying on or giving force or effect to discriminatory appraisals to deny loan applications where the covered financial institution knew or should have known of the discrimination;

B) Violations of the Home Ownership and Equity Protection Act;

C) Violations of section 5 of the Federal Trade Commission Act;

D) Violations of section 8 of the Real Estate Settlement Procedures Act;

E) Violations of the Truth in Lending Act provisions regarding a consumer's right of rescission

F) Violations of the Article 4 [Financial Credit] of Illinois Human Rights Act [775 ILCS 5/Ant. 4];

G) Violations of the Illinois High Risk Home Loan Act [815 ILCS 137]; and

H) Violations of the Illinois Fairness in Lending Act [815 ILCS 120].

2) In determining the effect of evidence of practices described in subsection (c)(1) on the credit union's assigned rating, the Secretary considers the nature, extent, and strength of the evidence of the practices; the policies and procedures that the credit union (or affiliate, as applicable) has in place to prevent the practices; any corrective action that the credit union (or affiliate, as applicable) has taken or has committed to take, including voluntary corrective action resulting from self-assessment; and any other relevant information.

Section 185.290 Effect of ILCRA Performance on Applications
a) ILCRA Performance. Among other factors, the Secretary shall take into account the record of performance under the ILCRA of each credit union and its parent company, including all subsidiaries thereof, relative to this Act submitting applications for the establishment of a branch, office, or other facility, the relocation of a main office, branch, office, or other facility, a license renewal, change in control of a covered financial institution, or a merger or consolidation with or the acquisition of assets or assumption of liabilities of any covered financial institution, out-of-state bank, credit union, or residential mortgage licensee, national bank or credit union, or foreign financial institution.

In evaluating any other application which requires the Secretary’s approval, the Secretary may take into account the record of performance under the ILCRA of each credit union and its parent company, including all subsidiaries thereof.

Nothing in this Section requires a submission of an application which is not otherwise required under applicable law.

b) Interested parties. The Secretary takes into account any views submitted by interested parties in accordance with the public notice posted pursuant to Section 35-20 of ILCRA.

c) Denial. A credit union’s record of ILCRA performance may be the basis for denying any application required to be submitted to the Secretary.

**SUBPART C: RECORDS, REPORTING, AND DISCLOSURE REQUIREMENTS; EXAMINATIONS; ENFORCEMENT**

**Section 185.400 - Assessment Area Delineation**

a) In general. An institution shall delineate one or more assessment areas within which the Secretary evaluates the institution’s record of helping to meet the credit needs of its community. The Secretary does not evaluate the institution’s delineation of its assessment area as a separate performance criterion, but the Secretary reviews the delineation for compliance with the requirements of this Section.

The Secretary does not evaluate the institution's delineation of its assessment area as a separate performance criterion, but the Secretary reviews the delineation for compliance with the requirements of this Section.

b) A credit union shall delineate its field of membership, including persons eligible for membership, as its assessment area. A credit union may choose to include or exclude any community based common bonds located outside of the State of Illinois. A credit union may choose to include or exclude any members or persons...
eligible for membership pursuant to its occupational or associational common bonds located outside of the State of Illinois.

cb) Notwithstanding subsection (a), the Secretary may approve a credit union to designate only its current members as its assessment area, or an assessment area that does not otherwise comply with the requirements set forth in subsection (a) if the credit union demonstrates that satisfying the requirements of subsection (a) would be impractical and unreasonable in its specific case. Any designation pursuant to this subsection shall not reflect illegal discrimination and may not arbitrarily exclude low-and moderate income geographies. In evaluating whether compliance with subsection (a) would be impractical and unreasonable for a credit union in its specific case, the Secretary shall consider:

________   (1) the size of the credit union;

________   (2) the financial health of the credit union; and

________   (3) and any other relevant consideration presented by the credit union.

Geographic area for wholesale or limited purpose credit unions. The assessment area for a wholesale or limited purpose institution must consist generally of one or more MSAs/CBSAs (using the MSA/CBSA boundaries that were in effect as of January 1 of the calendar year in which the delineation is made), one or more contiguous political subdivisions, such as counties, cities, or towns, in which the institution has its main office, branches, and deposit-taking ATMs or otherwise be consistent with the geographic limitations of the credit union’s field of membership.

Geographic area(s) for other credit unions. The assessment area for an institution other than a wholesale or limited purpose institution or a credit union under Section 185.400(g) must:

consist generally of one or more MSAs/CBSAs (using the MSA/CBSA boundaries that were in effect as of January 1 of the calendar year in which the delineation is made), one or more contiguous political subdivisions, such as counties, cities, or towns or otherwise be consistent with the geographic limitations contained within the credit union’s field of membership; and

include the geographies in which the institution has its main office, its branches, and its deposit-taking ATMs, as well as the surrounding geographies in which the institution has originated or purchased a substantial portion of its loans (including home mortgage loans, small business and small farm loans, and any other loans the institution chooses, such as those consumer loans on which the institution elects to have its performance assessed).
d) Adjustments to geographic area.  

An institution may adjust the boundaries of its assessment area to include only the portion of a political subdivision that it reasonably can be expected to serve. An adjustment is particularly appropriate in the case of an assessment area that otherwise would be:

A) extremely large;
B) of unusual configuration;
C) divided by significant geographic barriers; or

if in light of a credit union's size and financial condition serving an entire political subdivision would be infeasible.

2) A credit union may choose to exclude geographic areas outside the boundaries of the State of Illinois from its assessment area.

e) Limitations on the delineation of an assessment area. Each credit union’s assessment area(s):

1) must consist only of whole geographies unless the Secretary specifically approves use of a partial geography;

2) may not reflect illegal discrimination;

3) may not arbitrarily exclude low- and moderate-income geographies, taking into account the credit union’s size and financial condition;

4) may not extend substantially beyond a CMSA boundary or beyond a state boundary unless the assessment area is located in a multistate MSA/CBSA. If a credit union serves a geographic area that extends substantially beyond a state boundary, the credit union shall delineate separate assessment areas for the areas in each state. If a credit union serves a geographic area that extends substantially beyond a CMSA boundary, the credit union shall delineate separate assessment areas for the areas inside and outside the CMSA; and

5) must cover substantially all of a credit union’s field of membership except as otherwise permitted by subsections (g) or (h).
g) — A credit union whose field of membership, in whole or in part, is not based on residence may delineate its field of membership, including all eligible persons located in the State of Illinois regardless of geography, as its assessment area. However, a credit union that cannot reasonably serve all areas which contain persons eligible to join the credit union pursuant to its field of membership, may designate all of its members and the geographic areas which encompass persons eligible to join the credit union pursuant to its field of membership which the credit union can reasonably expect to market to and serve taking into its size, financial health and any other relevant considerations pursuant to the requirements contained in this Section.

h) — The Secretary may approve a credit union to designate only its current members as its assessment area, or an assessment area that does not otherwise comply with the requirements set forth in this section if the credit union demonstrates that satisfying the requirements of this Section would be impractical and unreasonable in its specific case.

di) — A credit union shall modify its assessment area whenever there is a material modification to its field of membership pursuant to subsection (b) unless it receives approval from the Secretary to use a different assessment area pursuant to subsection (c).

e) — A credit union may request a written finding from the Secretary that its assessment area delineation complies with this Section. Any credit union which relies on such a finding shall not subject to an enforcement action pursuant to Section 185.410 for a violation of this Section. Unless extended by the Secretary in writing, any such finding shall expire at the end of the credit union’s next examination.

Section 185.410 - Data Collection, Reporting, and Disclosure

a) Credit unions shall comply with all data collection, reporting and disclosure requirements as required by applicable law; and

b) A credit union, except a credit union that meets the definition of a small credit union, which is subject to HMDA reporting requirements, shall report to the Department the location of each home mortgage loan application, origination, or purchase outside the credit union’s assessment area in accordance with the requirements of 12 CFR 1003. Credit unions that are subject to HMDA reporting requirements pursuant to 12 CFR 1003 shall report to the Department the location of each home mortgage loan application, origination, or purchase outside the
MSAs/CBSAs in which the credit union has a home or branch office (or outside any MSA/CBSA) in accordance with the requirements of 12 CFR 1003. However, small credit unions, even if they are subject to HMDA reporting requirements, are exempt from reporting this data to the Department.

c) Optional data collection and maintenance.

1) Consumer Loans. A credit union may collect and maintain in machine readable form (as prescribed by the Secretary) data for consumer loans originated or purchased by the credit union for consideration under the lending test. A credit union may maintain data for one or more of the following categories of consumer loans: motor vehicle, credit card, home equity, other secured, and other unsecured. If the credit union maintains data for loans in a certain category, it shall maintain data for all loans originated or purchased within that category. The credit union shall maintain data separately for each category, including for each loan:

A) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;
B) The loan amount at origination or purchase;
C) The loan location; and
D) The gross annual income of the borrower that the credit union considered in making its credit decision.

2) Other loan data. At its option, a credit union may provide other information concerning its lending performance, including additional loan distribution data or any other data required or permitted to be reported by banks under Federal or state banking regulations.

d) Data on affiliate lending. A credit union that elects to have the Secretary consider loans by an affiliate, for purposes of the lending or community development test or an approved strategic plan, shall collect, maintain, and report for those loans the data that the credit union would have collected, maintained, and reported had the loans been originated or purchased by the credit union. For home mortgage loans, the credit union shall also be prepared to identify the home mortgage loans reported under 12 CFR Part 1003 (Home Data Disclosure) by the affiliate.

e) Data on lending by a consortium or a third party. A credit union that elects to have the Secretary consider community development loans by a consortium or third party, for purposes of the lending or community development tests or an
approved strategic plan, shall report for those loans the data that the credit union
would have reported had the loans been originated or purchased by the credit
union.

Section 185.420 Content and Availability of Public File

a) Information available to the public. A credit union shall maintain a public file
that includes the following information:

1) All written comments received from the public for the current year and
each of the prior two calendar years that specifically relate to the credit
union’s performance in helping to meet community credit needs, and any
response to the comments by the credit union, if neither the comments nor
the responses contain statements that reflect adversely on the good name
or reputation of any persons other than the credit union or publication of
which would violate specific provisions of law;

2) A copy of the public section of the credit union’s most recent ILCRA
Performance Evaluation prepared by the Secretary. The credit union shall
place this copy in the public file within 30 business days after its receipt
from the Secretary.

4) A list of branches opened or closed by the credit union during the current year and each of the prior two calendar years, their street addresses, and geographies;

5) A list of services (including hours of operation, available loan and deposit products, and transaction fees) generally offered at the credit union’s branches and descriptions of material differences in the availability or cost of services at particular branches, if any. At its option, a credit union may include information regarding the availability of alternative systems for delivering retail banking services (e.g., ATMs, ATMs not owned or operated by or exclusively for the credit union, banking by telephone or computer, loan production offices, and bank-at-work or bank-by-mail programs);

6) A map of each assessment area showing the boundaries of the area and identifying the geographies contained within the area, either on the map or in a separate list, provided however, a map of the assessment area does not need to be maintained if the credit union’s membership by-law provisions do not correspond to a defined geographic area. If a map of the assessment area does not need to be maintained the credit union must provide other documentation reflecting its assessment area;

7) The field of membership as defined in the credit union’s Article of Incorporation and Article III of the bylaws; and
b) Additional information available to the public.

1) Credit Unions other than small credit unions. A credit union, except a small credit union or a credit union that was a small credit union during the prior calendar year, shall include in its public file the following information pertaining to the credit union and its affiliates, if applicable, for each of the prior two calendar years:

A) if the credit union has elected to have one or more categories of its consumer loans considered under the lending test, for each of these categories, the number and amount of loans:

e) Credit Unions evaluated under the small credit union performance standards. 

1) Lending test ratings for small credit unions. 

A) Eligibility for a satisfactory rating. The Secretary rates a small credit union’s performance "satisfactory" if, in general, the credit union demonstrates: 

i) A reasonable loan-to-share ratio (considering seasonal variations) given the credit union’s size, financial condition, the credit needs of its assessment area(s), and taking into account, as appropriate, lending-related activities such as loan originations for sale to the secondary markets and community development loans and qualified investments;

ii) A majority of its loans and, as appropriate, other lending-related activities are in its assessment area;

iii) A distribution of loans to and, as appropriate, other lending related-activities for individuals of different income levels (including low- and moderate-income individuals) and businesses and farms of different sizes that is reasonable given the demographics of the credit union’s assessment area;

iv) A record of taking appropriate action, as warranted, in response to written complaints, if any, about the credit union’s performance in helping to meet the credit needs of its assessment area and reasonable performance with regard to fair lending policies and practices; and
A) Eligibility for a Satisfactory Community Development Test Rating. The Secretary rates an intermediate small credit union’s community development performance “satisfactory” if the credit union demonstrates adequate responsiveness to the community development needs of its assessment area or a broader statewide or regional area that includes the credit union’s assessment area through community development loans, qualified investments, and community development services. The adequacy of the credit union’s response will depend on its capacity for such community development activities, its assessment area’s need for such community development activities, and the availability of such opportunities for community development in the credit union’s assessment area.

B) Community Development Test Ratings for Intermediate Small Credit Unions—Eligibility for an Outstanding Community Development Test Rating. The Secretary rates an intermediate small credit union’s community development performance “outstanding” if the credit union demonstrates excellent responsiveness to community development needs in its assessment area through community development loans, qualified investments, and community development services, as appropriate, considering the credit union’s capacity and the need and availability of such opportunities for community development in the credit union’s assessment area.
C) Community Development Test Ratings for Intermediate Small Credit Unions—Needs to Improve or Substantial Noncompliance Ratings. An intermediate small credit union may also receive a community development test rating of "needs to improve" or "substantial noncompliance" depending on the degree to which its performance has failed to meet the standards for a "satisfactory" rating.

3) Service test rating for credit unions that are intermediate small credit unions: A credit union that is an intermediate small credit union will be rated under the service test in accordance with (b)(2) of 185.APPENDIX A (Ratings).

f) Overall rating

1) Eligibility for a satisfactory overall rating. No intermediate small credit union may receive an assigned overall rating of "satisfactory" unless it receives a rating of at least "satisfactory" on both the lending test and community development test tests.

2) Eligibility for an outstanding overall rating.

A) An intermediate small credit union that receives an "outstanding" rating on one test and at least "satisfactory" on the other test may receive an assigned overall rating of "outstanding".

B) A small credit union that is not an intermediate small credit union that meets each of the standards for a "satisfactory" rating under the lending test and exceeds some or all of those standards may warrant consideration for an overall rating of "outstanding". In assessing whether a credit union's performance is "outstanding", the Secretary considers the extent to which the credit union exceeds each of the performance standards for a "satisfactory" rating and its performance in making qualified investments and its performance in providing branches and other services and delivery systems that enhance credit availability in its assessment area.

3) Needs to improve or substantial noncompliance overall rating. A small credit union may also receive a rating of "needs to improve" or "substantial noncompliance" depending on the degree to which its performance has failed to meet the standards for a "satisfactory" rating.

g) Strategic plan assessment and rating
1) Satisfactory goals. The Secretary approves as "satisfactory" measurable goals that adequately help to meet the credit needs of the credit union's assessment area.

2) Outstanding goals. If the plan identifies a separate group of measurable goals that substantially exceed the levels approved as "satisfactory", the Secretary will approve those goals as "outstanding".

3) Rating. The Secretary assesses the performance of a credit union operating under an approved plan to determine if the credit union has met its plan goals:

   A) If the credit union substantially achieves its plan goals for a satisfactory rating, the Secretary will rate the credit union's performance under the plan as "satisfactory".

   B) If the credit union exceeds its plan goals for a satisfactory rating and substantially achieves its plan goals for an outstanding rating, the Secretary will rate the credit union's performance under the plan as "outstanding".

   C) If the credit union fails to meet substantially its plan goals for a satisfactory rating, the Secretary will rate the credit union as either "needs to improve" or "substantial noncompliance", depending on the extent to which it falls short of its plan goals, unless the credit union elected in its plan to be rated otherwise, as provided in Section 185.270(f)(4).

h) Other eligible criteria for an outstanding rating. A credit union that achieves at least a "satisfactory" rating under the lending and service tests may warrant consideration for an overall rating of "outstanding". In assessing whether a credit union's performance is "outstanding", the Secretary will also consider the credit union's performance in making qualified investments and community development loans to the extent authorized under law.

i) Component test ratings. The Secretary may develop, by written policy or directive, a matrix system which sets forth the methodology for aggregating a credit union's scores on the lending, service, and investment tests to arrive at an assigned rating.
